REGION II
HABITAT DIVISION

Species	Date(s) Observed	Spawning	Rearing	Migration
chum salmon	August 10, 1985	X		

Comments: Provide any clarifying information, including number of fish observed, Location of fish survey data, etc.

salmon were observed and (or) sampled during a 1985 U.S. Fish and Wildlife Service
inventory of Izembek NWR fisheries (June-August 1985). Field notes are available
at the address given below

Attach a copy of a map showing location of mouth and upper points of each species, specific stream reaches identified for spawning or rearing, locations of barriers, such as falls. Attach a copy of the fish survey data, if available.
